Aussie Farm 4 Kids Animals 4 Therapy Picnic Day

We went to the animal farm-yard picnic and fed the goats. We helped the Dog "Aussie" jump over the hoops we were holding. Reuben held a pink hoola hoop and I, Iyoshi, held a yellow one. Reuben held the hoop with another bloke and Iyoshi in a line, so that the dogs can perform tricks by jumping over and through hoops. We brushed Aussie's and Maltida's coats with a dog comb. Reporters: Iyoshi S. & Reuben L.
